Unitech Portable Data Collectors

PT500 Data Collector

PT600 Data Collector

PART #	DESCRIPTION	LIST PRICE
PT500	Bundled package includes PT500, NiMH rechargeable battery, A/C adapter, communication & 9 pin RS232 cable, ez Job generator & DATAMASTER software with 11 applications	
ezJob NEW!	Windows 95/98/2000/NT base program generator PT500 simulator and communicator free download from web site	
DataMaster	Windows 95/98/2000/NT base program with 11 out of the box applications and communication software free download from web site	

Standard CCD scanner

PT500-2C00B	512K RAM with standard CCD scanner bundled package	\$600
PT500-3C00B	1MB RAM with standard CCD scanner bundled package	\$.700

Laser Scanner

PT500WA-2L00B	512K RAM with laser scanner	\$.800
PT500WA-3L00B	1MB RAM with laser scanner	\$.900

Accessories

101000-0480	110V AC power adapter with 9V, 1A	\$.25
101000-0490	220V AC power adapter with 9V, 1A	\$.25
140000-0320	Rechargeable battery pack for PT500/900	\$.50
155100-0140	RS-232 cable, DB-9 female to DB-25 female	\$.15
155100-0141	RS-232 null modem cable, DB-9 female to DB-9 female	\$.15
PT015B	Communication/charging cradle with A/C, cable	\$.250
PT065	Brief Case for PT500/600	\$.70
PT069	4 pack battery charging station for PT500/PT900	\$.220
PW201-2	USB Adapter Cable for RS232 to USB	\$.50
MR034B	RS-232 to RS-485 Converter with 101000-0010 & 155102-8020 cable (used when networking with cradle)	\$.150

Hornet / PT600 DOS compatible Portable Data Collection Terminal with integrated laser scanner, 4x12, 8x16 or 100x65 pixels graphic backlit LCD, 26 rubber keys, rechargeable NiMH, RS232 interface. Includes communication cable, AC adapter, JobGen Lite and PT Comm Manager.

Standard Laser

PT600WA-0L00B	512 KB RAM, standard laser	\$.1,000
PT600WA-1L00B	1.5 MB RAM, standard laser	\$.1,200
PT600WA-2L00B	2.5 MB RAM, standard laser	\$.1,300
PT600WA-3L00B	4.5 MB RAM, standard laser	\$.1,400

High Density Laser

PT600HD-0L00B	512 KB RAM, high density scan engine (2.5 mils)	\$.1,300
PT600HD-1L00B	1.5 MB RAM, high density scan engine (2.5 mils)	\$.1,500
PT600HD-2L00B	2.5 MB RAM, high density scan engine (2.5 mils)	\$.1,600
PT600HD-3L00B	4.5 MB RAM, high density scan engine (2.5 mils)	\$.1,700
